Dear Victoria Goldsten McGrady,

This message is to clarify that the West Virginia (WV) LPN Board accepts continuing education courses from a wide range of providers. Specifically, the WV LPN Board accepts CE's that are approved by any of the following entities:

- Any **state or national nursing organization**.
- Other **health-related national organizations**.
- Any **other state board of nursing** or health-related licensing board, provided the target audience identified for the CE includes nurses.
- National advanced practice registered nurse certification bodies such as the American Nurses Credentialing Center (ANCC), American Academy of Nurse Practitioners, etc..
- The West Virginia Board of Registered Nurses and the West Virginia Nurses Association.

A local, state, or national agency, organization, or association that is recognized by the Board is considered an "Approved provider".

You can find more detailed information and a list of approved providers on the official [WV LPN Board website](#) or by reviewing their [CE Requirements Pamphlet-Brochure](#).

SINCERELY,
